Floreat Wandsworth Club Descriptions – Summer 2019

Multi sports Club

This club will include a range of different sports, developing children's agility, balance, speed and coordination as well as their evasive skills, movement and control and fielding, striking and running. Sports covered include: Netball, Hockey, Basketball, Football, Cricket, Athletics, Archery, Tennis, Handball and Tag Rugby.

Chess Club

Our Chess Club is made up of a small group of children ranging in different abilities. We introduce one by one the gambits of chess, which are made up of Pawns, Castles, Horses, Bishops, Queens and Kings. The children are taught how each gambit can move on the Chess Board and are challenged to play against their peers in friendly competitive matches.

Football Clubs

AM Sports Academy's football club aims to improve participants technically by working on control, passing, movement, turning, shooting, attacking, defending and creating space. These are the key attributes which are worked on over a fun and exciting syllabus. The sessions are inclusive for all abilities and we have a real focus on participation and enjoyment. Each session starts with a fun warm up before moving into skills work, which follows the AM Sports Academy syllabus to aid progression, and finishes with small sided matches to give children the opportunity to put their newly learned skills into match situations.

There are prizes available every week for the 'Player of the Week'.

Gymnastics Club

Gymnastics is a sport that requires great flexibility, balance and control. It also provides a unique and valuable social education and experience. It creates an environment where teamwork, sportsmanship, fair play and dedication are required in order to master the fundamental skills to be a successful gymnast.

AM Sports Academy gymnastics classes aim to develop balance, co-ordination, gross and fine motor skills, special awareness and body control. Our gymnastic classes include areas such as tumbling, vault work, balance beam, and dance.

Archery Club

Archery is a fun sport, which requires concentration, skill and creativity. Children will learn the technique of shooting in a wide range of fun, well structured individual and team games. Safety, use of equipment and key Archery vocabulary will also be developed.

Little Arrows Archery also challenges children's Mathematics skills as they need to add, subtract and manage numbers to work out scoring.

Rec - Y3 Athletics Club

Athletics Club will focus on the key FUNdamental stages of a child's physical development and movement patterns. Agility, Balance, Co-ordination and Speed will all be developed within fun, creative and engaging games.

Children will also have the opportunity to develop the Foundation stage of an athlete by learning the correct techniques and in turn develop their individual skill, knowledge and understanding in a range of different running, jumping and throwing events.

Rec - Y3 Kwik Cricket

Kwik Cricket aims to provide children of all levels of ability and experience with an opportunity to participate and develop skill, knowledge and understanding - this is achieved through a variety of fixed, variable and game based Cricket practices.

Players will be challenged to progress key skills such as catching, throwing, bowling and striking skills within small, rewarding maximised participation games.

A player centered coaching process is implemented to create player ownership, creativity and imagination, which guides learning and encourages participation and fun.
